PLANNING COMMISSION MEETING OF: SEPTEMBER 27, 2007

CHAIRMAN DAVENPORT declared the Public Hearing open.

FLINN FAGG, Planning and Development Department, stated the proposed park was in compliance with the Downtown Centennial Plan and recommended approval.

EDWARD SYKOWSKI, 1021 South Main Street, appeared in opposition. He indicated that closing off First Street at Boulder Avenue will create numerous safety issues for his trucks. He added that there are many street people who frequent the area which causes additional concern.

DICK GUYER, President of the Las Vegas Arts District Association, appeared in support. He stated that this park would be a precursor of a sculpture garden and anticipates over a million people passing through the area. With the influx of people, he believed the value of the adjacent businesses will greatly increase.

TOM McGOWAN, Las Vegas resident, expressed his opposition questioning who would benefit from this public park. He listed several questions addressing funding for the park, child safety issues, graffiti, nearby liquor establishments, construction and maintenance expenditures.

TODD FARLOW, 240 North 19th Street, appeared in support and stated this park is much needed.

CHAIRMAN DAVENPORT referenced MR. SYKOWSKI'S comments and asked staff for assistance. MS. VENGLASS offered to meet with MR. SYKOWSKI to find a resolution before this item is heard by the City Council.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
